Work description.

Field Work:

I did not go to the field today.

Office Work:

1. Worked on submittal's 915R1 and R2.
2. Attended meeting with Chris (CT), Keith D. (CT) and Jason T (CT) to discuss barrier changes associated with Contract Plan sheet 890S2. Also discussed barrier fabrication. After the meeting I was told DJV will make more changes and the ATP for plan sheet 890S2 will not be sent out to the Contractor today.

Hours Worked: 9 hours total including 1 hour OT.

Given that Contractors, Sub-Contractors, Laborers and field personnel work hours are not being provided to Abbas and I by ABF, work hours from these workers will not be provided in my diary. Tai-Lin is aware and asked us to submit diary as is.
